The community rooms are open, but we are monitoring current COVID cases and we will adjust as needed.

We are continuing the search for a new-to-us bus, but there is not a lot of inventory due a chip shortage for new buses. Used buses are not being traded as quickly, since owners are still waiting on their new bus from the factory. We will keep you posted on our progress.

**Hy-Vee Shot Clinic Tuesday, October 5 at 10:00-1:30.** Flu, Shingles, Pneumonia and COVID Shots available.

Hy-Vee van will be in the parking lot by the door to Clarke Senior Center.

Covid shots are free for all. Flu and Pneumonia shots are *free* if you are over 65 with Medicare B and could be free depending on your insurance if you are under 65. Shingles shots are covered differently depending on your private insurance or Medicaid coverage.

If you are interested in getting any shot, Dorothy will have some paper work for you to fill out and she will need a copy of your insurance/Medicaid card. Please see her before September 29<sup>th</sup> so HyVee can check your coverage before the shot clinic.

**Medical Marijuana**

Just a reminder. Your lease states that you can lose your housing for engaging in drug related criminal activity. Medical marijuana is illegal under federal drug laws. Having a state issued patient card does not make possession of, or the use of, marijuana legal in your unit.

We are aware people are still choosing to smoke within their units. This is a lease violation and you will lose your housing. You are welcome to smoke in designated smoking areas only. By choosing to break these rules you increase the risk of fire/smoke damaging your unit or the whole building.

Thank you for your compliance in working to keep our buildings safe for you and your neighbors. Thank you for continuing to do your part by wearing masks, washing your hands, social distancing and getting the vaccine. This limits possible exposure to others. By reporting if you become sick, we are able to order extra cleaning in areas of the building you may have been in the last few days

*We are still asking residents to wear a mask in common areas even if you have had both shots.*

Thank you for doing your part! ❤️
